

Century Cabinetry

Philadelphia Magazine's
DESIGN
HOME 2006

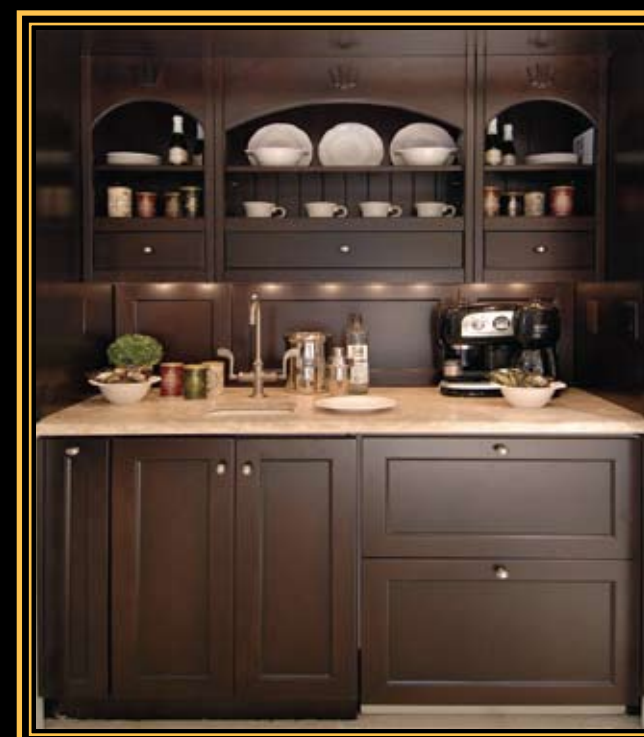

Butler's Pantry: *Wentworth Espresso on Cherry*

Sun Room: *Nantucket Celery*

Century Cabinetry is a proud sponsor of the *Philadelphia Magazine Design Home 2006™*. We invite you to discover all of the possibilities that Century Cabinetry has to offer.

Breakfast Bar: *Jamestown Espresso on Cherry*

This kitchen is a welcoming cooking, living, and dining space and a distinctive centerpiece in the interior of the home. Impressively spacious, it offers plenty of storage to meet all of your culinary needs. Kitchen cabinets demonstrate a recessed panel door with a hand wiped finish, and the island features a raised panel cherry door, beautifully hand glazed and distressed.

Century Cabinetry has three manufacturing facilities located in Berks and Chester counties.

Sub-Zero Storage Center: Jamestown *Vintage*

Kitchen: Jamestown *Vintage*, Island Charlestown *Distressed Cherry*

Master Bathroom: Jamestown *Espresso on Cherry*

The Master Bathroom cabinetry illuminates the room with its deep rich finish. His-and-her vanities reflect an exquisite sense of design, balance and symmetry.

The Lower Level Bathroom vanity is painted and hand glazed lending it a warm and dramatic effect.

Lower Level Bathroom: Newport *Black Mocha*
